Springfield Road Closure in Arcola for CN Crossing Repairs

PARIS – The Illinois Department of Transportation announces that Illinois 133 (Springfield Road) will be closed at the Canadian National (CN) Railway railroad crossing between U.S. 45 (Chestnut Street) and Oak Street in Arcola beginning, weather permitting, Tuesday, Feb. 21. The closure is necessary for maintenance work to be completed at the crossing.

In order to complete the repairs, Springfield Road will be closed at the CN railroad crossing from Tuesday, Feb. 21, through Thursday, Feb. 23. A posted detour will utilize Oak Street, Washington Street and Chestnut Street to reconnect traffic with Springfield Road.

Motorists should expect delays and allow extra time for trips through this area. Pay close attention to flaggers and signs in the work zones, obey posted speed limits and be alert for workers and equipment.
